The President's Message . . .

As president of Chautauqua it is my pleasant privilege to welcome on behalf of the Board of Directors, members and their guests to Chautauqua for the eightieth season.

As we celebrate our eightieth anniversary, we recognize the foresight of our forefathers in stating in the Articles of Incorporation these objectives and purposes: "To conduct a Chautauqua assembly for religious, educational and scientific purposes and operate in connection therewith a summer resort" throughout the years. The dedication of the Board, stockholders, and members to these objectives have kept us a non-denominational and non-commercial assembly unmatched by few places in our great country. May we always be mindful of these things as we plan for the future.

As changes are made in administrative policy and physical surroundings it is well that we look forward as well as backward to make sure we preserve our Chautauqua and its beautiful valley so that it may be enjoyed by those who follow in our footsteps as much as we have enjoyed it.

In a spirit of gratitude for all who have made and are making Chautauqua what it is we of the Board offer our thanks for their co-operation. May you enjoy the program we have planned for this eightieth season. If it brings you relaxation, inspiration, and a greater appreciation of what our Chautauqua means in the way of a wholesome kind of family life, the past and present efforts will not have been in vain.

Joseph L. Rain
President

ARTICLE II OBJECT AND PURPOSES

Section 1. Object. The object for which the association was formed as stated in its certificate of incorporation is:

"To conduct a Chautauqua Assembly for religious, educational and scientific purposes and operate in connection therewith a summer resort."

Section 2. Policies. In fulfillment of this purpose, the association has since its organization found it feasible and possible to operate successfully without profit to its shareholders, to maintain well attended religious services and classes, to provide a place, facilities, and supervision for wholesome recreation and restful living during the summer season, and does hereby declare and determine that a continuation of such policies is for the best interest of the association, is essential to the accomplishment of its objects and will most effectively contribute to the physical, moral and spiritual welfare of its shareholders, cottage members, their families and guests, accordingly:

Section 3. Non-Commercial. It is declared that it shall be the policy of the association to prevent Chautauqua from becoming a commercial or secular enterprise during the period of its commitments to its cottage members, expiring November 30, 1985.

Section 4. Not for profit. The association shall continue to be operated and conducted without profit to its shareholders, and the net income, if any, shall not be accumulated for, and be paid to, or inure to the benefit of, its shareholders.

Section 5. Religion. The association shall continue to provide leadership and facilities for religious education and worship services, Christian but non-sectarian in character, as the underlying motif of the organization, and shall permit no sectarian or anti-Christian services or activities.

Section 6. Recreation and Retreat. The association shall, in connection with its religious program, provide facilities and leadership for children, and shall operate and conduct Chautauqua as a peaceful, wholesome, pleasant and safe place for rest and retreat from the pressures of modern living.

Section 7. Revocation or Amendment. This article shall be the central guide and control of the officers, directors and shareholders in all their actions and decisions, and shall not be revoked or amended except by a vote of not less than three-fourths of the entire board of directors and three-fourth of the shares of stock of the association, and then only after at least thirty-days notice by United States Mail, postage prepaid, to all officers, directors and shareholders, setting forth specifically and in detail the proposed resolution for revocation or amendment to be submitted for consideration.

Rules and Regulations Governing Chautauqua

Rules and Regulations governing daily living at Chautauqua are conceived in the interest of promoting public safety and making a pleasant and enjoyable stay for everyone possible. The cooperation of all persons in observing and obeying all By-Laws, Rules and Regulations of the Association at all times will be greatly appreciated.

1. **VEHICLES:** (a) All automobiles must be brought to a full stop at the Gate House at entrance to the Chautauqua grounds upon entering or leaving. The Gatekeeper is required to determine that each person entering the grounds is properly authorized for admission.

b—The speed limit of all motor vehicles on the Chautauqua grounds is 15 miles per hour. All "Stop" signs must be obeyed.

c—No one may operate a motor vehicle on the Chautauqua grounds who does not possess a Driver's License of the State in which he resides and who is not adequately covered by liability insurance. All motor vehicles are required to have a state license.

d—All residents and guests are urged to leave cars parked and to walk when possible. The unnecessary driving of motor vehicles on Chautauqua grounds will not be permitted.

e—Anyone judged guilty of careless driving shall be prohibited from driving on Chautauqua grounds.

f—Bicycles are not to be ridden on public walks or the board walk. Bicycle riders are urged to exercise caution in riding their bicycles.

2. **COTTAGE GUESTS:** Owners wishing to have guests in their cottages must notify the Chautauqua manager and submit complete information about prospective guests to the board. The board reserves the right to withhold approval on applications.

If you expect guests, notify the gatekeeper in advance and make arrangements for their admission. Failure to make advance arrangements can cause embarrassment as the gatekeeper is not authorized to admit strangers to the grounds simply because they announce they have come to visit a Chautauqua resident.

3. **BUILDING:** No building or additions shall be erected, nor repair work started except with consent of the Board of Directors, under a permit signed by the Secretary. No building or additions shall be done from June 15th to September 10th.

3a. Any cottage owner who intends to install an air-conditioner, electrical stove, electric hot water heater, or any other electrical appliances that consume a large amount of current must obtain approval of the Board of Directors.

4. **COTTAGES:** The Grounds Committee shall have the authority to examine or inspect any cottage or place on the Grounds as to fire hazards, water, light, and sanitary conditions at any or all times.

He attended DePauw University, where he worked on his Masters degree and for the past two years he has continued his studies at Yale in the Divinity School.

Mr. Vogel will be assisted in his work by his wife, Susan, who is also a native of the St. Louis area. Susan is also studying in the Divinity School at Yale.

Richard and Susan will be in charge of all church activities, will work with the young people, and will conduct a Monday-night discussion group which they started last summer.

The 80th season of Chautauqua promises to be a busy season for the L.C.I.A., whose membership is open to all the ladies on the grounds.

Following its purpose, which is to further the civic, social and spiritual welfare of Chautauqua, the L.C.I.A. sponsors the Girl's Club, provides for the Children's Day weekend, sponsor the weekly card parties, provides chaperones for the Saturday night dances, plans

Thursday night activities for the children, and helps to prepare the chapel and auditorium for our religious services. In addition, this year the ladies are planning an 80th Anniversary reception, an Anniversary family dinner, and a bazaar.

Chautauqua is located in the Alton Lake Area. This has become one of the fastest growing boating regions in the nation. Many Chautauquans have become boating enthusiasts. The Chautauqua Yacht Club is a separate corporation. Unfortunately this yacht club will not maintain docks this year, due to the construction of the road, therefore it will be impossible to have any permanent docks. Chautau-

quans are looking forward to having docks that we can be proud of as Chautauquans, after the road is completed, and again enjoy the bluffs along the Illinois side of Alton Lake that provides some of the best scenery in the Middle West.

The annual meeting will be held at the Auditorium on the fourth Saturday, August 28, 1965, at 2:00 P.M.
